MAIN ADVANTAGES

- ✓ **Less consumption**
Optimized design and technology of the engine that helps reduce energy consumption.
- ✓ **Air hugs**
Drying process is activated when the hands are inserted from the sides.
- ✓ **Curtain effect**
Cleaner floors that prevents water drops from splashing on the floor.
- ✓ **Preheat air heating system**
Air heating system that dispenses with conventional resistances.
- ✓ **Telemetry System**
Intelligent platform that provides information and data in real time.
- ✓ **Chromotherapy**
LED lights that create an atmosphere of relaxation and well-being.

Characteristics

- Consumption 1100 W
- Warranty: 5 years/250.000 cycles
- ABS gloss colors
- Acoustic level: 68 dB
- Blocking time 25"
- Dimensions: 635 X 322 X 250 mm
- Hand drying time: 13-15"
- Antibacterial additives
- 108 air vents
- Removable water tank.

Optional custom design:

- HEPA H13 filter
- Customizable logo
- RAL-Pantone personalized color
